MEMORANDUM FOR: Deputy Director for Administration  
Deputy Director for National Foreign  
Assessment  
Deputy Director for Operations  
Deputy Director for Science and Technology  
Chairman, Executive Career Service Board

FROM : F. W. M. Janney  
Director of Personnel

SUBJECT : Publication of Target Promotion Rates

The DDCI has approved the individual Career Service target promotion rates as set forth in your FY 1979 Annual Personnel Plan, Phase I. He notes that the promotion rates for all of the Career Services are at least up to target. NFAC and DDS&T have projected supergrade strength in excess of their approved allocations; these plans require adjustment to conform to the DDCI-approved allowances. It is the expectation of the Director that all of your employees will be made aware of the target promotion rates for their Career Service or Subgroup as soon as possible following receipt of this memorandum.
